GROUP THREE

Directions: Your group has been given the following topic: **Cyber-bullying (Group 3)**. Based on this topic you and your group members must evaluate two articles related to the topic. One article is from Wikipedia and the other is a peer reviewed article. To find the articles type the following link or title in the search bar on the website or database provided on the UNIV LibGuide, UNIV Library Video & Assignment page.

- Academic Search Complete: “Cyber-Bullying: Creating a Culture of Respect in a Cyber world”

After you have evaluated the article please discuss the following questions with your group members:

**Questions**

What did you discover about the currency of the two articles?

___________________________________________________________________________

___________________________________________________________________________

What are your reasons for believing the information was or was not accurate or truthful?

___________________________________________________________________________

___________________________________________________________________________

Did you notice who wrote the Wikipedia and scholarly articles? What were you able to find out about the authors?

___________________________________________________________________________

___________________________________________________________________________

After reading, were you swayed to one opinion over another?

___________________________________________________________________________

___________________________________________________________________________

What are some differences or similarities you noted between the two articles?
